

Electronic Funds Transfer (EFT) for Offertory Is Available

St. Alphonsus Parish offers electronic giving (EFT) for offertory contributions. With EFT, you can direct regular payments to the parish from your checking or savings account. You determine the amount and the date of payment via an authorization form. Our electronic giving program offers convenience for you and much-needed financial consistency for our parish.

What does this mean for you? If you currently are giving weekly, you no longer write out 52 checks or prepare 52 envelopes a year. In addition, when travel, illness or other circumstances prevent you from attending Mass, your weekly offerings continue uninterrupted.

The parish also offers the option of monthly giving by credit card.

Please see the reverse side for authorization form.

Please call the rectory or email bthiel@catholicweb.com for more details or questions.
